CCN AND UTILITY ISSUES FOR MUNICIPALITIES –

Presented by Art Rodriguez

Learn about the latest issues related to being a municipal CCN holder and how cities can negotiate the recent changes to the CCN laws and regulatory interpretations. These issues, as well as those dealing with neighboring utilities, will be addressed.

LOCAL REGULATION OF SEXUALLY ORIENTED BUSINESS –

Presented by Bradford E. Bullock

Learn about the latest trends in “SOB” litigation and what your city can and cannot legally regulate. The presentation will include a discussion of features that every city’s “SOB” ordinance should have in order to provide maximum protection from the negative secondary effects that these businesses create.

USE OF FORCE ISSUES AND QUALIFIED IMMUNITY–

Presented by J. Frank Onion, III

A discussion of use of force tactics and policy considerations, including “tasers” and other weapons and the interplay of qualified and official immunity defenses in two recent excessive force cases in Central Texas.

TCEQ ENFORCEMENT –

Presented by Kerry Russell

The TCEQ has inspected one of your departments and issued a notice of violation, what does this mean to you? You will learn the process of investigation all the way to a contested case hearing. You will be informed of the alternatives to simply accepting the violation and paying a penalty. All of the necessary timelines and steps will be discussed and you will leave with the necessary knowledge to defend your City.

DEVELOPMENT AGREEMENTS AND EDC ISSUES –

Presented by William “Mick” McKamie

Not all development agreements are created equal. Learn the who, what, when and hows of smart development agreements for Texas cities, along with a general discussion of economic development issues.

LEGISLATIVE UPDATE –

Presented by Bradford E. Bullock
and Art Rodriguez

A timely presentation of the latest changes to State law that affect local governments.

and

AN OPEN GOVERNMENT QUESTION AND ANSWER SESSION WITH THE WORKSHOP SPEAKERS
